ABOUT DDCC

About Us

عن الشركة

Introduction

مقدمة

The wheel of renaissance, civilized and urban development in the Kingdom of Saudi Arabia is in constant acceleration, because of the dedicated work undertaken by the Kingdom. The team of Al Abaad Al Aameeka had clear expert touches in this remarkable urban development, as the company's work team contributed to the supervision and implementation of a number of strategic projects in various fields, including urban construction, infrastructure projects, electricity transmission and distribution stations, as well as water and sewage stations, in addition to infrastructure networks of electricity, fiber optics, water and sewage.

إن عجلة النهضة والتطور الحضاري والعمراني في المملكة العربية السعودية تشهد تسارعًا مستمرًا، وذلك بفضل الجهود المخلصة التي تبذلها المملكة. وقد كان لفريق شركة الأبعاد العميقة بصمات واضحة بخبراته في هذا التطور العمراني المتميز، حيث ساهم فريق عمل الشركة في الإشراف والتنفيذ لعدد من المشاريع الاستراتيجية في مختلف المجالات، بما في ذلك مشاريع البناء العمراني، ومشاريع البنية التحتية، ومحطات نقل وتوزيع الكهرباء، وكذلك محطات المياه والصرف الصحي، بالإضافة إلى شبكات البنية التحتية للكهرباء والألياف البصرية، والمياه والصرف الصحي.

Who We Are

من نحن

We are the deep dimensions that you find at the basis of building your home, where the solid infrastructure lies. We are the ones who lay the foundation stone for large projects such as extensions of electricity and water networks, stations and ground cables.

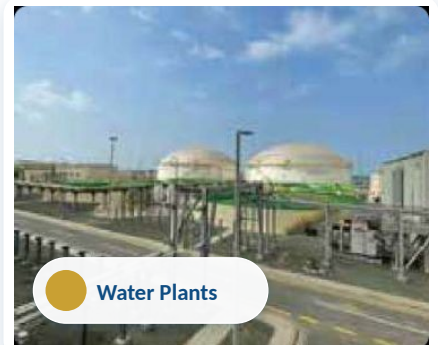

نحن الأبعاد العميقة التي تجدها في أساس بناء منزلك، حيث تكمن البنية التحتية الصلبة. نحن الذين نضع حجر الأساس للمشاريع الكبرى مثل تمديدات شبكات الكهرباء والمياه، والمحطات، والكابلات الأرضية.
